

MEETING PLANNER PARTNER PROGRAM

Meeting planners will receive points for hosting events at del Lago Resort & Casino. For every dollar spent, the meeting planner will receive one point. Points may be spent across the resort where points are an accepted form of payment, at our Finger Lakes Point Partner establishments, and for future planned events. Additionally, meeting planners will have the opportunity to be awarded additional benefits based on total annual bookings.

Tier status is valid for 12 months after the status is achieved. Each "Tier up" starts the valid date over from the initial 12 months. Points are only earned once an eligible event or room block are paid in full. See Meeting Planner Partner Program terms and conditions. Must be 21 or older to enter the casino floor, its amenities or to attend an event in The Vine
